

Disability policy

The Bucks Corporate Relay welcomes disabled athletes and spectators to the event.

We ask that if you have a disability and require any reasonable adjustments to be made that you contact race organisers to discuss this further(info@corporaterelay.co.uk). Disabled toilets and parking will be available on site. Participating athletes are asked to please view the course prior to taking part to ensure that they are able to complete the course. The course is run on both tar and open field surfaces including steep gradient hills and muddy patches which will be slippery. Guides will not be provided by race organisers however should disabled athletes wish to bring their own guides, they will not be charged and entrance fee.

It is compulsory for any wheelchair users to wear a crash helmet.

Examples of terrain	
	Steep grass decline
	steep tar incline
	Cattle Grids

	Uneven surfaces
	Muddy terrain

If you any any further questions please email info@corporaterelay.co.uk
